## HOMECOMERS REVEL AMONG OLD SCENES

### CHI ZETA CELEBRATES ITS LARG- EST HOMECOMING.

Aided by ideal weather conditions, which prevailed throughout the entire week-end, the 1922 Comeback Homecoming, held here on October 20, 21, proved a tremendous success in every way.

At the Lambda Chi house 20 Homecomers were entertained and from the sentiments expressed by these returning brothers their joy was equal to that of the brothers here to receive them.

On Tuesday the first alumni made his appearance and by Friday night the entire gang had assembled. It was a revelation to the younger members who for the first time caught the true Homecoming spirit and all that such an event entails.

One of the happiest memories which each departing alumni carried back home with him, was that of the Illinois-Iowa game, a contest which will doubtless go down in football history as one of the greatest exhibitions of fighting determination, ever witnessed on a college gridiron. Out-weighted, inexperienced, and with the papers predicting a walkaway for their opponents, the Illini eleven spurred on by the cheers from 30,000 Homecomers, held the strong Iowa aggregation to a 8 to 7 score, a fete which astounded the sport world.

In the evening the annual Homecoming banquet was served at the chapter house. Decorations were in the fraternity colors and purple, green and gold candles provided light for the tables. A five course dinner was served.

At the close of the dinner Brother H. E. Jordan H.A., acting as toastmaster, made a few preliminary remarks and then threw the meeting open to any alumni member who cared to talk. At the solicitations of the assembled brothers, Brothers Hart, Crow, Cullanane, Skinner and Tower made short talks. The banquet was brought to a close with the singing of some Lambda Chi songs.

Sunday night found most of the Homecomers gone and now there is but to wait for another year, when again it is hoped that the crowd will continue to grow larger.

Those alumni returning were: Brothers Crow, Tower, Cullanane, Podlesak, Krupka, Mann, Smejkal, Froehly, Skinner, Hart, Preucil, Hust, Beebe, Leitch, Fittge, Shroyer, Daum, Olson, Brede, Canady.

### INDOOR TEAM HAS A GOOD SEASON.

In the field of Intramural sports Chi Zeta is holding up its reputation as a first class contender for trophies. At present the house is in the midst of the Indoor baseball season, having to date played three games, two of which were a victory for the house. At the present time the team is tied for second place with the S.P.E. group

## ALUMNI MOVE FOR A NEW HOUSE

### COMPLETE PLANS TO BE SUB- MITTED IN TWO WEEKS.

At the alumni meeting held immediately after the banquet, Saturday evening, October 21, definite plans for the construction of a new home for Chi Zeta were laid. According to the announcement made by the committee placed in charge of the financial plan, every effort will be extended to have work start on the new house by spring and that if present plans successfully materialize the house should be ready for occupancy by September 1, 1923.

The meeting which was called to order by Brother Hart, president of the alumni organization, was an open forum with all members participating in the discussions. As a measure of expediency Brother Hart appointed two general committees which were to embrace the entire membership of both the Chicago and St. Louis alumni organizations. Brother Krupka was appointed chairman of the Chicago committee and Brother Cullanane of the St. Louis group. It was also decided at this time to appoint Brother Crow of Springfield legal advisor, for the project. The matter of arranging for the financing of the scheme has been placed in the hands of Brother Krupka, while that of construction and accounting has been given into the hands of Brothers Cullanane and Tower respectively.

The financial scheme to date is one which will necessitate the co-operation of the Dads, to whom the tentative building policy will be outlined on the week-end of November 4th. Since everything under the present perspective depends upon the approval or disapproval of the Dads, the DOPE SHEET is unable at the present time to give any more definite announcement of what has been done or what the house expects to do than that which has already been given. However it is expected that a definite announcement of all particulars may be made by the time the next issue goes to press. in which case a detailed statement of the plans will be given.

### Dads Are Here This Week-End

Present indications are that Dad's Day which is to be celebrated at the University on Friday and Saturday of this week, will be a huge success both from the standpoint of the number of Dads in attendance and the entertainment that has been provided for them.

The program as announced by the committee in charge of this affair is to include a military parade to be held Saturday morning, a football game between the University of Illinois and Northwestern in the afternoon and the house banquet and Dad's Day Mixer in the evening.

With the present excellent team which is now playing for Chi Zeta the house should have but little trouble in annexing the championship cup again this year.

Brother Harry Dixon motored to Morrison, Ill., last week-end. He was accompanied as far as Bloomington by Brother Dowell.

The house was well deserted on the last week-end due to the Illinois-Michigan game at Ann Arbor, which was attended by about ten of the brothers.

## THINGS IN GENERAL.

Brother "Cy" Baker of Lafayette, Ind., was a visitor at the house on Thursday before Homecoming, but was unable to remain longer than the one day on account of urgent matters demanding his attention at home.

Brothers Ervin Fittgge and Hamilton Beebe have been selected as official delegates from Chi Zeta to the Mid West Conclave to be held in Chicago during the Thanksgiving holidays.
