September 18, 1973

Yes, I'm looking forward to being there Oct. 27

- Saturday lunch
- Saturday lunch and dinner
- Order _____ football tickets
(Please enclose \$7.00 per ticket)

Dear Brother:

- Sorry, I am unable to attend

The date of our 1973 Homecoming meeting is fast approaching and we hope that everyone is making plans to attend. There is much important business to be conducted at the eleven o'clock alumni meeting, including the election of new officers and revision of the current bylaws. Accordingly, as many brothers as possible should plan to be present on October 27.

The undergraduate chapter is genuinely interested in revitalizing their alumni relations program and recreating an active alumni chapter. The undergrad chapter will be organizing Homecoming and they have set quite a busy schedule for the day. They are planning to provide parking at the chapter house before the meeting, activities for your wife and children during the meeting, meals before and after the game, as well as arranging for tickets in an alumni block at the Iowa game. They have even engaged the services of the Ron Elston Combo for the party to remind us all of former years.

More than anything else, this is the best chance to meet all of your Chi Zeta brothers, both new and old; it's a time to tell new stories and reminisce over the old, to renew old friendships and fill in the gaps the years have left.

If you haven't already done so, clear your calendar and return the enclosed reservation card so the chapter will know how many are coming. Send \$7.00 for each ticket you order as well. If you have any questions, write or call the chapter house. We hope to see you in Champaign for Homecoming '73.

Sincerely Yours in ZAX,

Robert N. Corley
