

HIGH RHO LETTER

I would like to first introduce myself, my name is John Schmerold and am a freshman in the pre-med/biochemistry curriculum. I have several plans for my term in office and would appreciate your feedback on these plans. First I would like to know if there is interest in an address book of brothers, this book could be organized in alphabetical, geographical, and/or Chi number order. If there is sufficient interest I will send out order forms to those who request them.

Although it is too late to hold a Founder's day (March 22) reunion this year I have considered planning one for next year. Again, I will need some feedback on this idea or it will remain an idea. In order to help assure future Chi-Zetagrams, I strongly urge each of you to send an announcement of important events in either your life or in that of a fellow brother. Along these lines I would like to thank Ralph Smykal and John Crook for their contributions "News of Brothers Everywhere." If any of you would like to see other alumni functions please either call or write me at the house.

Yours in ZAX,

John Schmerold, High Rho

HIGH BETA LETTER

Chi Zeta is looking forward to a busy spring semester helping others, and showing the U of I the spirit of the brothers in the bond. We just completed Teddy Tuckins with Phi Beta Chi sorority. They tucked in the boys, and we had the delightful task of tucking in the girls.

Plans are being made now for the week before Spring Rush. To help Easter Seals and to get our rushing skills sharpened we will hold our semi-annual charm pop sale on the Quad. Last fall we raised \$300 for Easter Seals.

During Spring Rush not only will our fabulous cresents be at the house helping rush, but with the help of the special activities committee they will show a movie on campus. The house is looking at movies as a way to fund special activities which would increase our image on campus.

After the last rush set, Brother Jankowski will show his movies to help the brothers relax.

The groundwork is being laid for the second annual Lambda Chi March of Dimes Haunted House. Last year we worked with Zeta Tau Alpha, and made over \$2000 for March of Dimes and had a great time. There is talk of working with a radio station and picking up other sponsors this year.

The public relations program has expanded in the last year, and these are only a few of the things we have done, or will do this year. But all of our projects couldn't be successful without the fine cooperation of all the brothers, all of whom should be commended.

Yours in ZAX,

Frank E. Ritter

NEWS OF BROTHERS EVERYWHERE

It is through the efforts of John Crook and Ralph Smykal that I received this information, thank you John and Ralph.

James A. Scheeler (X592) was elected president of the National Center for a Barrier Free Environment for 1981. After graduating from U. of I. with a B.S. and a M.S. degree in Architecture he went on to become a Fulbright Scholar at the University of Liverpool's School of Civic Design. Jim currently resides in Reston, Virginia.

For those of you needing jobs in the Bay area of California, Paul Witkay (X992), a former Chemical Engineer, has formed his own employment service, Witkay Associates. His firm concentrates on professional placement primarily in and around the Bay area. Paul's wife Cathy also keeps busy, she is in charge of marketing for a major craft and needle point-kit company.

Matt Murphy (X1028) was married to Carlene Heldt in Chicago on August 9, 1980. Matt is currently attending Chicago-Kent College of Law.

Dave Valcik (X1017) was married to Jeane Trolley in Champaign on May 17, 1980. Dave is treasurer of the alumni association as well as being a C.P.A. for the firm of Winakor, Bates and Brunson of Champaign. Jeane, also a C.P.A., works for Jeff Wandell (X785) at Prairie Gardens in Champaign.

Pat Oberg (X984) was married to Rita Nardella of Chicago on September 1, 1979. Pat is currently a Hospital Sales Representative for Knoll Pharmaceuticals. Pat and his wife currently reside in DesPlaines.

Lou Valcik (X952) and his wife Meg had their third child Debbie, on July 14, 1980. Maggie (June 19, 1977) and Andie (July 15, 1979) comprise the remainder of the family. Lou is currently a C.P.A. for Central Can, and resides in Orland Park.

Earl Simmons (X996) and his wife Julie, of Mattoon, are proud to announce their son Eric, who was born July 1, 1980. Earl is currently a lieutenant in the Air Force. He is in charge of the ground communications-electronics maintenance branch. Earl will soon be in pilot training.

Kevin Sullivan (X1027) and his wife Cindy are proud to announce their new daughter Andrea. She was born on September 5, 1980. Kevin is supervising students at Northern Illinois University, and Cindy is teaching part time at a local junior college. Kevin will finish his masters in School Administration in May.

Cal Morris was married to Katherine A. Boyle November 1, 1980 in Collinsville, IL. Cal is an architect for Architectural Associates of Collinsville.

Dale Miller (X985) was married to Marilyn Anderson in Kansas City, Kansas on 1/7/78. Dale is a bidding engineer for S. M. Wilson and Co., general contractors of Granite City, IL. Marilyn is employed by DuPont Chemical. Dale and Marilyn reside in Edwardsville.

Doug Lauffenburger (X997) was married to Janelle Miller in Dixon, IL on July 21, 1979. They met while Doug was studying for his Ph.D. in Chemical Engineering at the University of Minnesota. Doug is presently an assistant professor at the University of Pennsylvania. Last summer he did research at the University of Heidelberg in Germany doing research with the Mathematics Institute there. Janelle works as an assistant director of food production and service for a local medical center.

Joseph Karacic M.D. (X978) married Barbara Nelson, sister of Dan Nelson (X1097), on June 7, 1980. Joe is currently a first year intern of internal medicine at the Northwestern University Medical Center. Barbara has a B.S. in nursing, and is working on her master's in perinatology at the University of Illinois Medical Center, where Joe also received his M.D. degree.
